Alumni News

The Chapter had a letter from A. D. Hull '91. Brother Hull is now in his 81st year and is still active despite a serious operation last fall. Only recently has Brother Hull given up his work as Treasurer of the Dartington Preparatory School for Boys, a position he had held for 15 years. His address is 6 Carol Ave., Rome, Georgia.

The chapter has been notified of the death of Brother Ernest V. Peirsm '89. Brother Peirsm died on January 10, 1950, at his home in Newark, New York, at the age of 82.

Brother Gardiner Kline '01 of Amsterdam has just recently returned from the "Great African" cruise on the RMS Caronia. The trip was reviewed in the April 3rd issue of "Life".

Another death occurred last month that concerned the Chapter. This was the tragic death of Charles G. Roberts '28 at Cazenovia, New York. He was married to the former Barbara Birge of Schenectady, New York and they have two sons.

Brother Eric T. King, Jr., '48 is seriously ill in Baltimore, Maryland. He has recently been operated on for a brain tumor at Johns Hopkins Hospital. Brother King was the traveling secretary for the national fraternity during the years 1946 to 1948.

Bob Sherman '49 will marry Miss Barbara Happold of Schenectady, New York, on June 24, 1950. Bob graduated last June as an Electrical Engineer and will complete a training program with I.B.M. this May.

Along the same line, Al Anderson will marry Miss Joan Fingar of Germantown, New York, this coming fall.

Commencement Weekend June 9-11

It won't be very long before June rolls around and Graduation and Reunion time will be here. The Chapter this year plans to make a special effort to urge all Union Alpha Deltas to attend the weekend, if it is at all possible for them to do so. There will be more literature about Commencement shortly but this will serve to introduce you to the weekend slightly ahead of time. We cannot urge you too strongly to visit us this June, because the house would like to have many, many more Alumni return this year than ever before. The College will have about the same program as usual, as can be seen from the program. However the house itself will have several things that have interest to all Alumni.

First, we have the largest class of seniors that the House has ever lost at one time. Many of these men know but a few of the Alumni group that they are joining who has preceded them in the house. These men would like to meet many more of the Alumni than they now know.

Secondly is the redecoration of the house that has just recently been completed. The house has not looked this fine in several years and we would urge the Alumni to return and see the almost new Chapter house.

Although plans are not certain yet, the House will have buffet supper both Friday and Saturday evenings. On Friday night the House and the Alumni will hold the traditional Beer party and a tea will be held on Saturday afternoon. These activities are for you and we would like to see as many of you as possible in June. We'll be looking for you.
