

THE "DELTS" made another valiant attempt in the intramural football games this fall, but it seems that most of our talent was on the varsity this year, or else married and relatively unavailable. Al Wade, John DeBello, and Tom Odell did a fine job on the undefeated Union College varsity. Pledges Davies and Mosher were on a successful Freshman football team. We are looking to a good year in basketball and volleyball. We should floor a taller intramural basketball team than the varsity, if that means anything.

PROFESSOR CARL NIEMEYER is our house adviser for the second straight year. Maybe someone will get a good mark from him yet. Brother Dud Hill, '67, is our Resident Counsellor.

SUNDAY, NOVEMBER 13, saw the end of a very successful prom weekend. Alumni brothers Dunc Lasher, Bob Sherman, and Jamie Dennis were here. Dunc has a position with a New York bank in the foreign department, and also attends night classes at NYU. Bob Sherman is presently with IBM in Washington, D. C. Jamie Dennis recently received his master degree from Columbia in psychology and is employed as job counsellor in the YMCA.

THE 1950 CONVENTION of Alpha Delta Phi will be held at the Rochester Chapter on June 23-25 of the coming year. This occasion will mark, not only the centennial of the University, but also the 100th anniversary of the Chapter. Brother Willis R. Jensen, Rochester '28 has been appointed to head publicity. The Rochester Chapter extends a welcome invitation to all Brothers who are able to come.

BROTHER JOHN DEBELLO represents the Senior Class on the Student Council by virtue of his office of Senior Class President. Brothers Pete Salmon and Bud Lester represent the Junior and Sophomore classes on the Council. Karl Koch is chairman of the HELP Committee and has done a great job in getting foreign students to the Union campus. Chapter President this term is Dick Williams, and he, with the rest of the house, express their appreciation to the Alumni brothers who helped in the fall rushing program. And with this opportunity, we would like to extend a standing invitation to all the Alumni brothers to drop in and visit us any chance they get.

For the chapter,

HARTLEY W. VESTY
