

In the Alumni section we find that Bro. Storrs Bishop '26, has received a promotion and is now working from the Syracuse branch office of the New York Power and Light Co. Storrs has been our alumni treasurer for some years. His place is now filled by Bro. Pete Ten Eyck of Schenectady.

Bro Charlie Waldron '06 paid the chapter a visit just a few days ago. He is in excellent health. Charlie told us that renovations on his new home near Rensselaerville have finally been completed.

Early in the fall the trustees of the chapter were our guests for dinner. Their purpose was to acquaint us with the problem of a tax which the city of Schenectady has levied upon all of the fraternities at Union. Bro. Bob McEnerney '39, paid us a visit and told us of his work since leaving Union.

The Chapter wishes to thank those alumni who have been able to stop in at the house during the year. We hope those of you who came to our tea on Homecoming Weekend in the fall, enjoyed yourselves. We further hope that many of you will be able to visit us this term. It may seem a little early but may we remind you that graduation and alumni weekend will be on June 9 and 10.
