

INTRAMURAL SPORTS

Touch Football

Because of the loss of five men to the Varsity, the Chapter touch football squad was greatly handicapped. However, good spirit and a lot of practice on the part of the boys who did compete enabled the team to end up in a tie for last place. The season finale was a game with the Hamilton Chapter on prom weekend. The Champs from Clinton graciously won the wager of a half of beer, but not without extending themselves.

Prospects Bright For Basketball

On the brighter side is the record of the basketball team. One loss in nine games leaves the team in a tie for first place and an excellent chance of picking up the title. A tight defense headed by Mills and TenEyck plus the sharp eyes of Wade, Vesty and DeBello have stopped all teams since the initial defeat.

Wrestling and Swimming

The prospect of Inter Fraternity Hockey is a reality now, but the points do not count on the Intramural scoreboard for the school championship. A strong Delt team is expected to take all comers without much effort.

Despite the loss of the 135 pound champion Tom Walworth the house has an excellent slate of boxers and wrestlers for the coming contests. Well represented in all classes, the wrestlers led by Ralph Nestle and Pete TenEyck, are favorites for the top point honours and should leave the house in no worse than third place in the championship.

Possible Title?

This position, though somewhat new to the house, coupled with the strong swimming team and excellent softball nine makes the house an odds on favourite for the first school title since the closing of the house during the war.

THE HOLES IN THE HOUSE

When College re-assembled this semester there were several gaps in our ranks at the Alpha Delt house.

Notable among the gaps was the one left by Brother Warworth. Tom had put in his time at College and had gone forth with his sheepskin into the world. From reports we hear he is holding down a job in the Sales Department of an, as yet unspecified, wire and cable company in his home town of Pittsburgh.

There were others too, whom we missed. These perhaps had gone in not quite such happy circumstances but our loss was just as real. Among them were Brothers Maurice Hale and Robert Breiling and Pledges Pete McCagg and Bob Woodruff

IN MEMORIAM

The Union Chapter of Alpha Delta Phi keenly feels the loss of two of its Brothers and wishes to extend to their relatives deepest sympathy.

W. Gibson Carey Jr., '18, was a man of many facets. President of the Yale and Towne Manufacturing Association, Lifelong Trustee of Union College, President of the National Association of Manufacturers, representative of the Union Chapter of the Fraternity on the Executive Council for the years 1937-38 and again during the war, Brother Carey was them all. His unfortunate death while swimming in Florida last year was a great blow to a Chapter who knew him so well. His funeral at St. Mark's Church, Mt. Kiscoe, was attended by Brothers Koch and Kearton from this Chapter.

Thomas W. Cronin, '50 was a well liked Sophomore of this Chapter and represented his College in both Swimming and Tennis. The suddenness of his death last year shocked a great many people and his presence is missed a great deal by his Brothers at Union.

VISITORS TO THE CHAPTER

The Union Chapter of Alpha Delta Phi has had quite a number of delightful visitors during the first part of this Semester. Notable among these were the two gentlemen who were our guests during the Life Planning Week at Union. Mr. James Lee Ellenwood, a graduate of Columbia, Methodist Pastor and State Secretary for Christian Service, of New York lunched at the Chapter House on Friday 13th and stayed for some time afterwards talking with many of the Brothers. In the evening of the same day we entertained at dinner the Rev. Willard Rice, the Minister of the Union Presbyterian Church in Schenectady. That evening after dinner Rev. Rice led a discussion which ranged far and wide over the fields of politics, religion and many other matters.

We hope to have Alexander Kerensky to dine with us in the near future. Mr. Kerensky should prove an extremely interesting guest since he was premier of Russia in 1917 and comes to Union College to speak to the International Relations Club.

Also the Chapter hopes to have Monty Woolley to dinner in the not too far distant future since the Union Chapter is the nearest to Mr. Woolley's home in Saratoga.

struction, formal pledging, finances and meetings.

Saturday afternoon found the visitors at the Union Hobart football game together with dates which had been obtained for them at nearby Skidmore. After the game alumni, faculty and visiting Brothers were guests at a tea at the Chapter House, followed by a buffet dinner and a party in the recreation room. The weekend ended with luncheon at the House on Sunday.

A mimeographed copy of the minutes of the synousia, containing details of the programme, as included with this issue of the Newsletter.
