took the hint and I am sure that you will not find it used again, at least in this issue. Ben Thelin was called on to speak for the new delegation and he handled the situation very well.

We were fortunate to have Bud Booz, the traveling secretary, with us and he spoke about the coming convention in Rochester and expressed the wish that all of us that could make it would be there in June. Since it is the centennial of both the University of Rochester and the Rochester Chapter, it promises to be a fine occasion.

The main speaker at the banquet was our beloved Charlie Waldron '06. He talked to us of the tradition and heritage of the chapter and we all enjoyed hearing him very much. We only wish that more of our alumni could have been there to hear him. Charlie's talks are always an inspiration and it was only fitting that he should deliver the main address as we re-instituted the tradition of the initiation banquet. We hope that the word will spread and that the support will improve at the next initiation.

Other alumni brothers participating in the events of the weekend were: Brother Henry Mills (Cal '11), Brother Charles F. MacGill (Un '10), Brother Spencer K. Warnick, Jr., (Un '22), Brother Otto A. Faust (Un '11), Brother Francis A. Shields (Un '19), and Brother Stanley A. Davis (Un '43).
